Springfield Foundation
For good. For ever.®

The Springfield Foundation supports your charitable efforts with personalized service and insight about community needs and organizations. We're here to help you assist organizations you care most about. We work with donors from all walks of life who want to improve the community through their philanthropy. As a catalyst for Springfield and Clark County, we are dedicated to increasing the effectiveness of your philanthropy, identifying the greatest needs of nonprofit organizations, and helping strengthen our community.

Getting Started Is Easy

A Donor Advised Fund is a personalized fund that makes it easy for you and your family to support the issues and organizations you care about in Springfield or across the country. You can use cash, stock, or other assets to create a named fund, qualify for an immediate income tax deduction, and when it's convenient for you, choose the charities you want to support. It takes \$10,000 or more to open your Donor Advised Fund. Donor Advised Funds allow you and your family to contribute to your fund at any time and recommend grants to support the charities of your choice. Donor Advised Funds provide the most flexibility and convenience.

Consider a Donor Advised Fund if You:

- Demand simplicity and ease.
- Want to manage all of your giving from one convenient account.
- Want to be actively engaged in your philanthropy.
- Wish to give to multiple organizations and programs throughout the year.
- Are interested in learning more about the Springfield, Ohio and Clark County community and its challenges.
- Want to involve your children or family in your charitable giving.
- Are seeking more information about giving opportunities, insights, and perspectives locally, nationally, and worldwide.
